Meal Reimbursement

Independent centers and sponsoring organizations receive cash reimbursement for serving meals to enrolled children and adults that meet Federal nutritional guidelines. The CACFP meal pattern varies according to age and types of meal served.

Centers and day care homes may be approved to claim up to two reimbursable meals (breakfast, lunch or supper) and one snack, or two snacks and one meal, to each eligible participant, each day.

Program payments for day care homes are based on the number of meals served to enrolled children, multiplied by the appropriate reimbursement rate for each breakfast, lunch, supper, or snack they are approved to serve.
