Supporting young
 children through
 high-quality
 child care!

About Us...

Founded December 4, 1978, as Everywoman's Resource Center, Child Care Aware® of Northeast & North Central Kansas is a non-profit organization that supports the development and learning of young children by offering programs and services that improve the quality and accessibility of child care for working families.

The agency is supported through a variety of sources including the United Way, Kansas Department of Social & Rehabilitation Services through Child Care Aware® of Kansas, Kansas Children's Cabinet, the Topeka Community Foundation, Shawnee County social service funds, individual donors, grants and special projects. The Designers' Showhouse, a grass-roots fundraiser in Topeka where area designers and craftsmen transform a selected home each year for public tours, also provides critical support for our agency.
